2. ISOO wants reporting on the following:

(a) Any leaks the Agency feels compelled to report to the Department of Justice

or

(b) Any instance where as a result of a systematic breakdown, a serious situation results in which classified information has been disclosed to unauthorized persons i.e., faulty Agency instructions, dissemination to excessive numbers, etc.

Suggested reporting methods are:

(a) Carbon copy of DOJ referral

or

(b) If Agency is concerned about the proliferation of sensitive information, simply inform ISOO that a leak has occurred and an ISOO representative can come to the Agency if further information is required. [redacted]

25X1

Jerry Rubino, DOJ raised the point that Criminal Division, DOJ, is sometimes uneasy about reporting to third agencies before they do an investigation of a matter. [redacted]
